## Class Citizenship Rubric

*Character, Curiosity, Commitment, Community*

AHS Competency	Engagement <i>Get Involved</i>	Contribution <i>Communicate</i>	Responsibility <i>Do the Right Thing</i>	Collaboration and Respect <i>Work Together</i>
<b>Exceeds Expectations</b>  4	Student engages in classroom activities; goes beyond expectations on tasks; takes notes. Takes initiative to go beyond expectations for independent work.	Student actively contributes to classroom discussion, but does not dominate; asks interesting and appropriate questions.	Student is always prepared and on time for class; takes initiative to seek help or practice skills when needed.	Student takes leadership role in class; may assist others who need help.
<b>Meets Expectations</b>  3	Student engages in classroom activities; completes all tasks; takes notes. Uses class time effectively for independent work.	Student volunteers to answer questions and participate in tasks; asks questions.	Student is almost always prepared and on time for class; asks for help from teacher when needed.	Student raises hand and waits turn; collaborates well in group activities; respects the rights and ideas of other members of the class.
<b>Approaching Expectations</b>  2	Student pays attention to lesson and is on task though may sometimes need reminders and redirection from teacher; may need to be reminded to take notes. May need prompting to stay on task for independent work.	Student answers questions or participates in tasks when called on but does not volunteer; does not usually ask questions.	Student sometimes comes unprepared for or tardy to class; may not take initiative to seek help from teacher when needed; may need reminders about homework and materials; may lose handouts and need to ask for replacements.	Student is generally respectful but may sometimes call out answers or talk when others are speaking; participates in group activities but may sometimes be distracted from task; usually shows respect for the ideas and rights of others.
<b>Needs Improvement</b>  1	Student does not pay attention to lesson; does not take notes; does not engage in assigned task; may be engaged in activities not related to classwork. Does not use class time for independent work.	Student will not answer questions when called on; does not ask questions or asks inappropriate questions; may not know place in text.	Student consistently comes unprepared for and/or tardy to class.	Student is disruptive or distracts others from engaging in lesson; will not participate in group activities; may show lack of respect for the ideas of the teacher and/or classmates.

**Overall Competency:** \_\_\_\_\_

**Self-reflection:**

**What specific actions can I take to improve my Classroom Citizenship?**
